Creative Arts, Movement, and Play =  
“C.A.M.P. Camp!”

**Not every child *wants to or needs to go to full-time Summer Camp!***

*carol hanson art* understands this dilemma and offers a place where kids can be kids, without having to attend more programming than they want or need.

- Check out our “**C.A.M.P. Camp**” Summer programs for ages 2 - 12. July 5 - Aug 26
- One class per week, three hour slots, morning or afternoon! Sign up for one, two or all!
- Mention this flyer and register for the full program by June 20th for \$25 off of each enrollment!

## **Now for some Adult time!!**

- Do you still have that *poster* from *college* hanging above your fireplace?
- Have you always wanted to paint but felt that you didn't know how or that you weren't a “born” artist?
- Do you go through creative bursts, at your kitchen or dining room table, one or two nights in a row, up until after midnight, enjoying every minute and feeling great about yourself, then end up putting everything away for a couple of years, unfinished and unsatisfied, hoping to find time in the future to tap that creativity?

## **WE CAN HELP!!**

**Register now for a painting, sculpting, or drawing class.** *carol hanson art* will gently guide you through making a beautiful art piece. It will warm you twice: once while creating it and again when you see the art *you created* hanging in your home and that dusty poster hung in the garage or basement. (Hey, it is still a good memory!)

## **A Book Club is now forming!**

We will meet at *carol hanson art* once a week, in four week blocks.  
Please call 603-733-6964 or e-mail [carolhansonart@aol.com](mailto:carolhansonart@aol.com) for more info!

And last, but not least,

*carol hanson art* is a great place to host a  
“Girls Night Out”

You and your girls supply the refreshments and we'll supply the art instruction and materials. It's a great place to hang out, try out a new or beloved art form, celebrate each other, and best of all, you don't have to clean your place, before **or** after!
